Penelitian ini akan mengkaji perihal implementasi program bantuan siswa miskin bagi siswa SMA Negeri di Kota Binjai. Sebagai suatu bentuk implementasi program yang ditujukan bagi peningkatan sumber daya manusia anak-anak bangsa khususnya di Kota Binjai. Sehubungan dengan hal tersebut maka diajukan permasalahan yaitu bagaimana implementasi program bantuan siswa miskin bagi siswa SMA Negeri di Kota Binjai dan apakah yang menjadi kendala dalam pelaksanaan program bantuan siswa miskin bagi siswa SMA Negeri di Kota Binjai.

Untuk membahas permasalahan tersebut maka diajukan penelitian secara kepustakaan dan penelitian lapangan yang dilakukan di Dinas Pendidikan Kota Binjai/ Selanjutnya hasil pengumpulan data kemudian dianalisis secara deskriptif analisis.

Hasil penelitian dan pembahasan menjelaskan program beasiswa miskin (BSM-SMA Negeri) di Kota Binjai merupakan suatu program pemberian bantuan dana untuk siswa miskin untuk memperoleh akses pendidikan, dana bantuan ini berasal dari dana APBN. Tujuan dari program ini adalah untuk meningkatkan partisipasi masyarakat miskin di Indonesia untuk memperoleh akses pendidikan. Penggunaan dana BSM SMA Negeri digunakan untuk memenuhi kebutuhan siswa miskin di bidang pendidikan. Implementasi pelaksanaan program BSM-SMA Negeri di Kota Binjai sudah berjalan dengan baik sesuai dengan buku pedoman pelaksanaan BSM-SMA Negeri 2013, hal ini dikarena sosialisasi program yang diadakan Dinas Pendidikan Kota Binjai di tingkat sekolah berjalan dengan baik dan di dukung dengan penyajian materi pelaksanaan program BSM yang dijelaskan sesuai dengan buku juknis pelaksanaan program BSM-SMA Negeri tahun 2013. Selain itu sosialisasi program juga diadakan di tingkat sekolah dengan cara mengadakan rapat tertutup dengan orang tua yang berhak mendapatkan bantuan BSM-SMA Negeri. Pelaksanaan program BSM-SMA Negeri di Kota Binjai belum dapat dikatakan berhasil karena dana tersebut belum mampu meningkatkan akses pendidikan untuk masyarakat miskin. Selain itu akuntabilitas , transparansi dan peran lembaga

Kata Kunci: Implementasi, Bantuan, Siswa Miskin

ABSTRACT

IMPLEMENTATION OF POOR STUDENT ASSISTANCE PROGRAM FOR STUDENTS AT SMA BINJAI CITY

This study will examine the implementation of programs concerning assistance to poor students for high school students in the city of Binjai State. As a form of implementation of programs aimed at improving human resources nation's children, especially in the city of Binjai . In connection with these two problems, namely how the proposed implementation of the assistance program for the poor students of SMA students in the city of Binjai and what are the constraints in the implementation of aid programs for the poor students of SMA students in the city of Binjai.

To address these problems the proposed research literature and field research conducted in Binjai City Department of Education / Further data collected and analyzed by descriptive analysis.

The results of the research and discussion to explain poor scholarship program (BSM - state high schools) in the city of Binjai is a program providing financial assistance to poor students to have access to education, the funds from the state budget. The purpose of this program is to increase the participation of poor people in Indonesia to gain access to education. The use of SMA BSM funds are used to meet the needs of poor students in the field of education. Implementation of the program implementation of BSM - state high schools in the city of Binjai has been running well in accordance with the manual implementation of BSM - State High School in 2013, it This is caused by socialization program held Binjai City Department of Education at school level is well run and supported by the presentation of the program materials BSM are described in accordance with the guidelines of the program book BSM - State high School in 2013. Additionally socialization programs are also held at the school level by holding a closed meeting with the parents who are entitled to help BSM - state high schools. BSM implementation - city high schools in Binjai has not been successful because the funds have not been able to improve access to education for the poor . Besides accountability , transparency and the role of institutions
